# DECLARATION

The position for which you are applying involves substantial access to children and is therefore exempt from the Rehabilitation of Offenders Act 1974. You are therefore required to declare any convictions or cautions you may have, even if they would otherwise be regarded as "spent" under this act. The information you give will be treated in confidence and will only be taken into account in relation to an application where this exemption applies.

The disclosure of a criminal record will not debar you from appointment unless the company considers that the conviction renders you unsuitable for employment. In making this decision we will consider the nature of the offence, how long ago it occurred and what age you were when it was committed and any other factor which maybe relevant. Failure to declare a conviction may however disqualify you from appointment or result in summary dismissal if a discrepancy is revealed once appointed.

We manage our disclosures in line with the DBS guidance. As part of our commitment to safeguarding further checks will be made throughout your employment.
