

THE WHITE HOUSE HOLIDAY CLUB

FEBRUARY HALF TERM 19th-23rd FEBRUARY 2018

MONDAY 19th

We are having a fun packed day at the White House animal park. We will be transforming the children into animals with face paints and masks as well as doing different crafts and activities.

TUESDAY 20th

Let's get messy. See if you can stay clean through our messy party games. Hunt for sweets in porridge, "shave" balloons without them popping, write your name using spaghetti letters, cut flour without it collapsing and loads more crazy games.

WEDNESDAY 21st

We have a new trip to the **National Videogame Arcade** in Nottingham. The Museum has three carefully curated galleries, taking you through some of the most interesting videogames of the past, present and future.

This isn't a traditional museum though... The games aren't behind glass, we want you to experience and play as much as you can. From vintage arcade cabinets, to Virtual Reality to cutting-edge independent titles that aren't even finished yet - we're here to show you that there's something in videogames for *everyone*.

THURSDAY 22nd

We will be having a fun day based around having fun outdoors, going to **Bridgford Park** to get messy and have fun. We will enjoy arrange of natural activities such as crafts to go outside in the garden.

FRIDAY 23rd

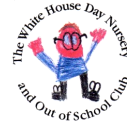

It's a **Despicable Me** day today. As well as watching the Despicable Me 3 film we will be making minion biscuits, Hama beads and different crafts.
